Thank YOU!!!

*The Physical Education Department would like to thank **Hanns Heil, Big C Lumber, and the woodshop students** for helping this unit become a reality.*

In a cross-curricular activity, with a generous donation of materials from Big C Lumber, the woodshop classes made ten sets of bean bag boxes for our new physical education unit. In the unit, students will have a fun opportunity to practice their underhand toss, learn the rules to an outdoor game they can be active in throughout their lifetime, and use basic math skills while keeping score.

Thank you to all those that made Beaver PRIDE Day a success!

DRIVE FOR YOUR SCHOOL FUNDRAISER: In spite of the weather, Several parents and community members came out to drive a Ford vehicle. We expect to receive donations in excess of \$3,000 this year.

NHS EVENTS: NHS out close to 100 free cotton candies and about the same number of bags of popcorn. Between face painting, car wash, concession stand, and the dunk tank, NHS raised about \$500.
