

What I Will Learn In Third Grade

Common Core

Math

- ~Represent and solve problems involving multiplication and division.
- ~Understand properties of multiplication and the relationship between multiplication and division.
 - ~Multiply and divide within 100.
 - ~Solve problems involving the four operations, and identify and explain patterns in arithmetic.
 - ~Use place value understanding and properties of operations to perform multi-digit arithmetic.
 - ~Develop and understanding of fractions as numbers.
- ~Solve problems involving measurement and estimation of intervals of time, liquid volumes, and masses of objects.
 - ~Represent and interpret data.
- ~Geometric measurement: understand concepts of area and relate area to multiplication and addition.
- ~Geometric measurement: recognize perimeter as an attribute of plane figures and distinguish between linear and area measurements.
 - ~Reason with shapes and their attributes.

Language Arts

- ~Ask and answer questions to demonstrate understanding of text.
- ~Retell stories and determine the central message.
- ~Describe characters in a story and explain how they contribute to the story.
- ~ Determine meanings of words and phrases as they are used in texts.
 - ~ Use correct terms to refer to parts of a story.
- ~ Distinguish their own point of view from that of the narrator or those of the characters.
- ~Explain how illustrations contribute to what is conveyed by the words in a story.
- ~Make and use illustrations to retell a story.
- ~ Read and comprehend literature, stories, dramas, and poetry independently and proficiently.
 - ~ Maintain logs of stories and books read.
- ~Determine main idea of text; recount the key details and explain how they support the main idea.
 - ~Create timelines.
- ~ Complete 5Ws and H charts after reading informational texts.
 - ~ Using cause and effects in stories.
- ~Compare and contrast two stories with a partner.
- ~Decode words with common Latin suffixes.
 - ~Decode multisyllable words.
 - ~Read on-level text with purpose and understanding.
- ~Read with accuracy and fluency to support comprehension.
- ~Write arguments to support claims using sufficient evidence.
- ~Write narratives to develop real or imagined experiences.
 - ~Write informative/explanatory texts to convey complex ideas.
 - ~Use technology to produce and publish writing.
 - ~Use linking words and phrases to connect opinions and reasons.
 - ~Develop topic with facts, definitions, and details.
 - ~Use dialogue and descriptions of actions, thoughts and feelings.
- ~ Conduct short research projects that build knowledge about a topic.
 - ~ Students listen attentively to speakers, asking relevant questions.
 - ~Share oral reports on topic using relevant facts and details.
 - ~ Speak in complete sentences when appropriate.
- ~Demonstrate command of the conventions of Standard English grammar when speaking and writing.
 - ~ Produce simple, compound and complex sentences.
 - ~ Use correct punctuation and capitalization when writing.
