7. When is the registration due?

- a. In order for us to plan and budget appropriately (i.e. making sure we have staff, resources, and supplies necessary) we need to have a solid number of campers well in advance. With it being our first year (2nd attempt), space is limited to 100 campers. Depending on the number of registrations received, there may be a possibility that we accept more, but at this time there is no guarantee.
- b. All registration forms are required by **May 20, 2022**, but the sooner the better.

8. What will my child do all day?

- a. Kids will be busy, busy, busy all day long!! They will participate in activities including group games, safe science experiments, sports, arts and crafts, Gymnastics, Open Gym, field trips, Pizza Pajama Parties, and so much more!

9. Can I request that my child be grouped with his/her friends or siblings?

- a. Requests are welcome, but there is no guarantee that we will accommodate the request. The Campers will be separated into “bunks” based on several factors (i.e. grade, supports needed, etc.).

10. How will I know what my child will be doing all week?

- a. All summer campers will be required to fill out a registration form complete with an email address. Through this email address, you will receive a schedule of activities, important updates and reminders for the week(s) your child will be attending camp.

11. What should my child wear?

- a. Children should wear comfortable, weather-appropriate clothing each day. We will be participating in activities indoors and outdoors on a daily basis, so please make sure your child wears athletic shoes every day or has a pair of athletic shoes to use when needed. All campers will receive a t-shirt on the first day and we will request that these shirts be worn every Friday for our field trips.

12. What should my child bring every day?

- a. Children should keep a bottle of sunscreen and change of clothes (just in case!) in their backpacks (to be provided the first day). It is also encouraged that children bring a bottle of water each day, or bring a reusable bottle to fill up at the drinking fountain.
