## REQUEST for Advance Notification of Pesticide Treatments

Dear Parent/Guardian:

Complete this form **ONLY** if you are requesting **additional** advance notification of a pesticide application. As outlined in the *Annual Advisory Notice*, a notice of pesticide application will be given 48 hours before the application by the following two methods:

1. Posting at the primary entrances of the school. The entrances that will be posted are the main entrance and those with a sidewalk leading directly to a parking lot.
2. Posting in the common area located by the main office of the school.

Therefore, you should only complete this form if you are also requesting advance notification of a pesticide application by first-class mail. If you are requesting advance notification of pesticide treatments conducted at the school, other than a bait or gel formulation, and you would like notice to be delivered by United States Postal Service first-class mail, postmarked at least three days prior to the planned treatment, please complete the information below and submit the form to:

**Eau Claire Public School ~ 6190 West Main Street ~ Eau Claire, MI 49111 (269)461-6947**

I would like to receive advance notification of any pesticide application to the school by first-class mail.

Parent/Guardian Name: \_\_\_\_\_

Student Name: \_\_\_\_\_

Street Address: \_\_\_\_\_

City, ZIP: \_\_\_\_\_

Day Phone #: \_\_\_\_\_

Evening Phone#: \_\_\_\_\_

Email Address: \_\_\_\_\_

### Please Check One:

- I would like to be notified prior to a scheduled pesticide application inside the school building.
- I wish to be notified before a scheduled pesticide application on the school building grounds.
- Both of the above.
